## What's Next?

Once we have received your reservation, we will email or fax you a confirmation code in the top box of this form. If you do not receive a response in 5 days, please contact us to make sure the forms were received. If you have any questions or need to adjust any part of your reservation, email [zooreservations@emichigancity.com](mailto:zooreservations@emichigancity.com) or call us at (219) 873-1510.

## **Entrance**

One representative should present the total number of students and adults in your group with payment while others wait across the street. ONE single transaction is required, and exact payment is appreciated and will expedite your entry to the Zoo. To ensure that we do not have overcrowding you will have a 30 min window to check in after the time of your reservation.

If anyone in your group is using a Zoo Membership, the admissions staff will need to see membership cards and photo identification at the entrance. If a student is using the family's membership without the primary member in attendance, we recommend that you copy the card along with the primary card holder's identification and submit the copy with your payment.

**No outside food or coolers may be brought into the Zoo, but there are shelters and tables across the street from the zoo in the park.**

Groups must have 1 chaperone per 10 students at all times.

**Due to scheduled reservation times, safety, and the increased numbers of zoo visitors, we cannot permit re-entries for large groups, so please plan your day with that in mind.**

## **Rules and Policies**

Rules must be shared with the students and all chaperones. Anyone failing to follow the rules may be asked to leave the Zoo.

During your field trip at Washington Park Zoo, you are visiting the animals' homes, so please be respectful and follow these rules:

- Stay on all public pathways and do not climb fences.
- There is no smoking or vaping allowed inside the Zoo.
- Balloons, selfie sticks, balls, etc. are not allowed inside the Zoo.
- Please do not run or yell inside the Zoo.
- Students must remain with an adult chaperone at all times.
- Do not tap or bang on exhibit glass as this frightens the animals.
- Do not throw anything into the exhibits. The animals are on strict diets and ingestion of other objects can be harmful.

## **Notes**

The WPZoo strives to have all of our animals on exhibit while the Zoo is open, but this is not always possible. At the beginning of the season, some animals may still be in winter holding until the temperatures increase. During the summer months, extremely high temperatures will warrant a heat advisory, and animals will be given access to their indoor buildings.

If there is inclement weather, please plan accordingly. The Zoo does not issue rainchecks or refunds. Please call the Zoo at 219.873.1510 if you must cancel your field trip due to inclement weather.

## **Registering Your Field Trip**

- Download a registration form and email completed forms to [jhuss@emichigancity.com](mailto:jhuss@emichigancity.com)
- After receiving your registration, the Zoo will send you a confirmation.
- On the day of your field trip, bring the confirmation form with you to receive the discounted rates.
- You can pay for your Zoo Field Trip using cash, check, Visa, or Mastercard the day of your visit.

Parking is a separate department from the zoo and will be paid as you enter the parking lot and not at the zoo gate.
